

Appl. No. 09/827,252  
Supplemental Response Correcting Informalities in April 14, 2006 Response  
Page 9 of 9

### REMARKS

Applicants submit an amended listing of the claims that corrects the informalities pointed out by the Examiner – all new claims are presented with underlining and claim 1 has been corrected to clarify that “cord” is being changed to “chord” and “substantial” is being changed to “substantially.” These were typographical errors in the initial patent application that are being corrected.

### CONCLUSION

Applicants respectfully request allowance of claims 1-14 and 36-48 and issuance of a patent containing these claims in due course. If there remain any additional issues to be addressed, the Examiner is urged to contact the undersigned attorney at 404.815.6147.

Respectfully submitted,
